

Copyright Assignment Form for Infection in Children

I, senior author of the paper entitled “.....”, which I have submitted for publication in INFECTIONS IN CHILDREN journal published by Pediatric Oncall, hereby agree that, if it is accepted for publication in INFECTION IN CHILDREN, the copyright of the paper shall become the property of Pediatric Oncall who many on request licence me to reproduce the paper or any part thereof, provided that a full acknowledgement to INFECTION IN CHILDREN accompanies each reproduction. Any co-authors have seen this article and have agreed that it be submitted for publication in the Journal.

In signing this Agreement:

1. You hereby warrant that this Article is an original work, has not been published before and is not being considered for publication elsewhere in its final form either in printed or electronic form.
2. You hereby warrant that you have obtained permission from the copyright holder to reproduce in the Article (in all media including print and electronic form) material not owned by you, and that you have acknowledged the source.
3. You hereby warrant that this Article contains no violation of any existing copyright or other third party right or any material of an obscene, indecent, libellous or otherwise unlawful nature and that to the best of your knowledge this Article does not infringe the rights of others;
4. You hereby warrant that in the case of a multi-authored Article you have obtained, in writing, authorization to enter into this Agreement on their behalf and that all coauthors have read and agreed the terms of this Agreement;
5. You warrant that any formula or dosage given is accurate and will not if properly followed cause injury to any person.
6. You will indemnify and keep indemnified the Editors, Publishers and Infections in Children against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on your behalf in this Agreement. By signing this Agreement you agree that Infections in Children may arrange for the Article to be:
 - Published in the above Journal, or distributed, on its own, or with other related material
 - Published in multi-contributor book form or other edited compilations by the publisher.
 - Reproduced and/or distributed (including the abstract) throughout the world in printed, electronic or any other medium whether now known or hereafter devised, in all languages, and to authorize third parties (including Reproduction Rights Organizations) to do the same;
